Sawyer has tendered his formal resignation as solicitor of the second circuit to Governor McSweeney, who will make an appointment now soon. Comedy Galore.

The Lehr & Williams Comedy Company played here for five nights this and last week, and the performances were attended by good audiences on each night, who were well pleased with the entertainment given. The members of the company are genial, decent people, and made friends here. They closed their engagement Tuesday night, producing "Peck's Bad Boy," on which occasion Mr. George Wolsey Symonds, an old friend and former professional associate of Mr. Lehr's played "The Tramp." A sure enough ho-ho he was, although he did not talk much except with his "York" iron armor breast plate.

New Boss Carler. Assistant Superintendent Day, of the Cotton Mill, has at last filled the vacancy in his card room by the appointment of Mr. S. P. Koon, formerly of the Edgefield Oil and Cotton Manufacturing Company, of Edgefield, as boss carler.

Constables Seize Temperance Drinks. Dispensary Constables Alsbrook and Ladford smelled out what they termed "alcoholic drinks" last Friday, in the grocery store of Mr. J. Allen Huggins and the drug store of Dr. B. D. Bronson, and accordingly seized one barrel of cherry phosphate and one barrel of blackberry phosphate from the former, and some thing over thirty gallons of these beverages from the latter.

The alleged intoxicants are manufactured by the Oklahoma Vinegar Co., and were sold under a guarantee that they contained no alcohol, by Fincken, Jordan & Co., of Charleston. These beverages have been partaken of by our people, male and female, and no untoward results followed. As a matter of fact, to quote Dr. Bronson, "there is not enough alcohol in a barrel of the stuff to intoxicate a fly." But then the dispensary constables must do something to earn their salaries.

Died in Charleston. Mr. I. M. Karesh, of this city, died in Charleston last Sunday at twelve o'clock, aged about fifty years. He had been sick for some time, and was in Charleston for treatment, but his death, which was from heart failure, was not expected. The funeral services were held Monday afternoon, and the body was interred in the Jewish cemetery at Magnolia, in Charleston. The family of the deceased and his brother, Mr. W. M. Karesh, went down Sunday night to attend the funeral. Mr. Karesh leaves a wife, two daughters, and four sons. He was born in Russia, and had lived in Bamberg about two years. On account of ill health he had turned his general merchandise business here over to his son, Mr. J. L. Karesh. His son Joe is in business at Elloree, and the other grown son, H. Karesh, conducts a store at Olar.

Great Clearing Sale Continued. On account of the lateness of our issue of November 16th and the bad weather of last and this week, the wide-awake and up-to-date firm of R. Pearlstone & Sons, of Branchville, are extending their great special clearing sale until Friday of next week, December 8th. These gentlemen do a large business in Bamberg, Orangeburg, and Dorchester counties, and many of their customers live at such a distance that it was impossible for them to take advantage of this great opportunity earlier. This sale applies only to their Branchville stores, and if you want to get goods at sacrifice prices, visit Branchville before the above date. You can get anything you want from the mammoth establishment of these gentlemen, and the goods are all new and fresh. We were surprised at the magnitude of their stock on the occasion of our first visit to their store. They carry, in many respects, a larger and more complete line than many of the great department stores in the Northern cities. See the half-page announcement in this issue.

Supposed Smallpox. Mr. Aaron Rice has been sick for about two weeks, having an eruption on his face and body. As it developed into something that resembled smallpox, Dr. D. W. Barton, his attending physician, last Monday afternoon reported the case to Dr. J. B. Black, chairman of the board of health. After investigation the board decided that, in their opinion, Mr. Rice had smallpox, and the Mayflower Inn, where he was living, was immediately quarantined. Mr. C. J. S. Brooker and family at once moved out, and are temporarily in the house on Railroad avenue, lately occupied by Mr. R. C. Jones. No one is allowed to visit Mr. Rice except his physician, and all persons who have been in the least degree exposed to the disease are keeping close.

Mr. Rice is attended by his wife. Their little baby was sent to St. George to be kept by Mrs. Rice's mother, but the board of health of that town would not allow it to be kept there, so the child was brought back, and is at Mr. Brooker's. Tuesday Mayor Inglis telegraphed to Governor McSweeney, asking that an expert be sent here to examine the case. The governor immediately wired Dr. James Evans, chairman of the State board of health, about the matter, and some one is expected here to-day. In the meantime, all necessary precautions are being taken, just as if the case was genuine smallpox.

The Cotton Market. Cotton is selling at 73 to 74 cents to-day. Receipts of the week, about 250 bales. There are also indications that Senator Mayfield, of Bamberg, will enter the lists against "Our Uncle Ben." We will keep our eyes on that quarter of the State.—Florence Times.

Prisoners for Court. These will not be a large criminal docket for court next week. There are only three prisoners in jail now, all negroes, and are as follows: Bose Hampton—larceny of live stock. May Rice—petty larceny. Joe Allen Copeland—obtaining papers under false pretenses. Two other negroes are out on bond, charged with murder. Some important civil cases will come up at this term.

Assault and Battery. The case against M. Smoak, for assault and battery on Ben Bennett, was tried in Magistrate N. P. Smoak's court on the 22nd instant. Smoak pled guilty and paid the fine and costs of the court. M. Smoak did not tramp over the country and beg money to pay his law suits, as Bennett and his friends did to pay theirs. UNCLE SNAKE

Olar Briefs. During the past week a number of Olarites have availed themselves of reduced rates offered by the F. C. & P. railroad to visit Savannah to attend the annual reunion of the Confederate Veterans of Georgia. The following visited the city: Mrs. N. F. Kirkland and son, W. F. Hamilton, E. A. Thain, Willie Bessinger, Jno. McKenzie, Dr. F. W. Chitty, Pat H. Starr, C. F. Rizer, and Willie Ayer. Mrs. Kirkland was taken quite sick after reaching Savannah, but I am happy to chronicle great improvement in her health since her return home. All who attended the reunion express themselves as highly gratified. Mr. Maner Kirkland said that to see Milne-Christine, the dwarf girl, and our genial friend Pat Starr well repaid his visit.

These annual reunions of the brave old Confederates are sources of great satisfaction to noble veterans and chivalric sons of the South. As we look upon them and think of the four years of history, written as it were in the most patriotic blood of the land, we feel sad when we think how rapidly their ranks are being decimated by the angel of death. But their deeds of valor must live on to enshrine the verse of poetic muse and historic word. Our debating club met as usual and discussed the query: "Resolved, that Washington deserved more credit in defending America than Columbus in discovering it." Mrs. F. Joyner, Mrs. R. Kearsae and Mrs. M. E. Bennett were the judges. As usual, the jury failed to agree.

Section Master W. N. Neal has given up his position here. He has several offers that pay him better. We have had a magic lantern exhibition of scenes in Cuba. Had the reflection of the lantern been brighter, the views would have been more distinct. Our two young friends, Ernest Anderson and E. D. Bessinger visited the fair, and took in the scenes of the Capital city. QVO VADIS.

You never know what form of blood poison will follow constipation. Keep the liver clean by using DeWitt's Little Early Risers and you will avoid trouble. They are famous little pills for constipation and liver and bowel troubles.—Bamberg Pharmacy.

Discovered by a Woman.

Another great discovery has been made, and that too, by a lady in this country. "Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and taking first dose, that she slept all night; and with two bottles, has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamnick & Co., of Shelby, N. C. Trial bottles free at Thos. Black's and Bamberg Pharmacy. Regular size 50c. and \$1.00. Every bottle guaranteed.

Ehrhardt News. The passenger train from Charleston, that formerly came only to Walterboro, now comes on to Ehrhardt, reaching here at 7 p. m., and leaving at 7 a. m. Our former mixed train now stays all night in Walterboro, coming up here at 10:30 a. m., and leaving 12:30 p. m. This change is a great accommodation to us, and we thank the railroad authorities for it. All we want now is an extension giving us a western outlet.

[The thing to do is to let's all get together and extend to Bamberg.—Ed. THE BAMBERG HERALD.] Mr. Jacob Ehrhardt and family returned home last Tuesday, after spending a short time with relatives in Newberry. Mr. Chas. Ehrhardt's house is now being built by Mr. J. C. Copeland. It is to be a two-story, eleven room structure, and will be an ornament to the north end of town.

Laurie Clayton and Addie Westlund, of the eighth grade; Nettie Dannelly, of the seventh; Joe and Bert Dannelly, of the fifth, and Geo. Westlund, of the fourth, were among the high school pupils who visited Charleston last week. Mr. Williams Carter went to Bamberg last Saturday. Dr. R. C. Roberts, of Allendale, returned to his home last Saturday. The high school boys have organized a military company, and are being drilled by Mr. Cullum, who was a soldier in our "late unpleasantness" with Spain.

Our school pump needs fixing; who will volunteer to fix it for us? A number of horse trailers passed through town one day last week. Banna Westberry, one of the pupils in the seventh grade of the high school, was called to Bamberg last week on account of the death of her brother. The whole school sympathizes with her in her sore bereavement.

Mr. Tom Pearstine was confined to his bed several days last week with rheumatism. Principal Jones wishes me to announce that the free term of the high school is now open.

PAULINE WILSON. Comes from Dr. D. B. Cargile, of Washita, I. T. He writes: "Four bottles of Electric Bitters has cured Mrs. Brewer of scrofula, which had caused her great suffering for years. Terrible sores would break out on her head and face, and the best doctors could give no help; but her cure is complete and her health is excellent." This shows what thousands have proved—that Electric Bitters is the best blood-purifier known. It's the supreme remedy for eczema, tetter, salt rheum, ulcers, boils and running sores. It stimulates liver, kidneys and bowels, expels poisons, helps digestion, builds up the strength. Only 50 cents. Sold by Thos. Black and Bamberg Pharmacy. Guaranteed.

J. D. Bridges, Editor "Democrat," Lancaster, N. H., says, "One Minute Cough Cure is the best remedy for group I ever used." Immediately relieves and cures coughs, colds, croup, asthma, pneumonia, bronchitis, whooping and all throat and lung troubles. It prevents consumption.—Bamberg Pharmacy.

The State Baptist Convention is in session at Gaffney this week. Rev. W. D. Rice, D. D., of this county, is Moderator. Mr. R. C. Jones is a happy father. It is a beautiful girl.

He Fooled the Surgeons. All doctors told Renick Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Atnica Salve, the surest Pile cure on Earth, and the best Salve in the World. 25 cents a box. Sold by Thos. Black and Bamberg Pharmacy.

Geo. Noland, Rockland, O., says, "My wife and I are forty years. DeWitt's Witch Hazel Salve cured her. It is the best salve in America." It heals everything and cures all skin diseases.—Bamberg Pharmacy.

Mrs. F. J. Dickson, Westminster, S. C., writes: "Eleven years ago I was for 6 months unable to do my work, and Dr. M. A. Simmons Liver Medicine restored me to good health. Think one package of it worth a dozen of Zeilin's. At Dr. Black's."

What a Man Wears in the way of Jewelry is not usually conspicuous, but it should be good. Many flashy articles are offered as Jewelry which are unworthy of the name and unfit to wear. Look at my line of Scarf Pins, Collar and Cuff Buttons, Shirt Studs, Tie Holders, and the more important articles such as Watches, Chains, Rings, etc., and your good taste will immediately recognize them as being of sterling merit. They are rich in design, chaste in workmanship, and fine in quality, but moderate in price.

A Woman Only Knows what suffering from falling of the womb, whites, painful or irregular menses, or any disease of the distinctly feminine organism. A man may sympathize or pity but he can not know the agonies she goes through—the terrible suffering, so patiently borne, which robs her of beauty, hope and happiness. Yet this suffering really is needless.

McELREE'S Wine of Cardui will banish it. This medicine cures all "female diseases" quickly and permanently. It does away with humiliating physical examinations. The treatment may be taken at home. There is not a single expense through—the sufferer is cured and stays cured. Wine of Cardui is becoming the regular remedy for all troubles of this class. It costs but \$1 from any druggist.

For advice in cases requiring special directions, address the "Ladies Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn. Mrs. C. WEST, Nashville, Tenn., writes: "This wonderful medicine ought to be in every house where there are girls and women."
